TERMS AND CONDITIONS

I hereby acknowledge that I have read this application and state that the above is correct and agree to comply with all City Bylaws and/or Provincial Laws which are applicable to this application. Every application shall be accompanied by a specification or abstract of the proposed work, and where the building has more than five fixtures, by a plan showing the location and size of the building drain, any traps and inspection pieces thereon and a section showing the size of the vertical soil pipe with the size and location of the branch connections and all necessary vent pipes and traps. It is expressly understood that the issuing of a plumbing permit and review of plans does not relieve the applicant/owner from complying with all Bylaws, though not called for in the specifications or shown on the plans submitted and/or this application.
